

**New 287 Series – Constant Mesh**

Released by popular demand! Customers asked for it and Chelsea listened. The NEW 287 Series is a constant mesh version of the already successful 280 Series PTO that is available for the Allison and CAT transmissions. It has all of the upgraded features available on the 280, without the clutch assembly. This means an extremely robust PTO to meet your constant mesh demands.

- Continuous Duty Rating up to 390 ft. lbs. (529 Nm)
- Rotatable Cast Iron Output Options
- Improved Pump Clearance
- Rotatable Seal Cap Options
- Nine Speed Ratios (3 or 5 arrangement)
- Lube hose included with PTO
- Wet Spline Option Available
- Available in three arrangements – 3, 5, and 8

**Applications for the 287 are listed in the NEW 2016 Application Catalog.**
