
New Warranty Policy for Chelsea Products

Since 1945, Chelsea has been the one continuous manufacturer of Power Take-Offs that has been the leader in providing the work truck market with innovative products, robust designs and superior service.

Our dedication to engineering your success with innovative solutions also drives our internal manufacturing processes as we continually seek improvements in all areas of our business.

Through these efforts we are pleased to share the following announcement of improvements to our warranty program.

Starting on **January 1st, 2010** the following products that are manufactured on or after this date, will be covered by a **2 year warranty**:

- Power Take-Off's Six Bolt, Eight Bolt, Ten Bolt and Countershaft
- Split Shafts
- Geared Adapters
- Wet Line Systems
- SEMS Snow and Ice Control Systems

Chelsea's innovative solutions, robust products, broad product offering and two year warranty provide you with the best possible solutions for your work truck application.
