Welcome to Seal Aftermarket Products Division, Seal Group, Parker Hannifin Corporation

We hope that you have noticed SAP's continuous improvements over the last year. We have been focused on improving customer service, expansion of our product lines, and installing lean processes throughout our division. Some of the changes that you will find in this year's catalog reflect Parker's new culture and commitment to our customers, our suppliers, and our team members.

How to use this catalog.

Table of Contents:

Each transmission picture in this catalog is listed in the table of contents; first by the manufacturer, then by the transmission with the page number, description of the transmission and series number.

Pictures:

Most of our transmission pictures are two page layouts with arrows in various directions. The arrows designate the directional order in which the parts come out of the transmission.
