## Standard Line Body Cross Reference Reference

As Parker acquired numerous companies over the years (Gresen, Racine, Waterman, Sterling, FPS, CEC), we have been and continue to work to convert all of the legacy product to the current product in our catalog.

To assist our customers with crossing over legacy line bodies to current Parker catalog bodies (for the industry standard common cavities only), the chart below has been created:

<u>RECOMMENDED PARKER MODEL</u>	<u>WATERMAN MODEL</u>	<u>GOULD/WATERMAN</u>	<u>CEC</u>	<u>STERLING HYD</u>
