

PVC SUCTION HOSE AGRICULTURAL

SFX SEEDFLEX

Parker Seedflex Suction Hose is designed to suit harsh Australian Airseeder applications. Manufactured from a specifically formulated super elastic PVC compound, this hose has a superior abrasion resistance with the advantage of being clear with white helix. Also stocked in clear with black helix (SFX-B).

FEATURES:

- ♦ Good flexibility
- ♦ Good crush resistance
- ♦ UV stabilized
- ♦ Abrasion resistant
- ♦ Primary and Secondary lines
- ♦ Australian made

ID (mm)	OD (mm)	Vacuum Rating (mmHg)	Min Bend Radius (mm)	Weight (kg/mtr)	Part No
