Parker at a Glance

Thousands of MRO and OEM solutions

139 manufacturing divisions

$13 billion in revenue

Operating in 49 countries

95+ years of power generation innovation

13,000 distribution / MRO outlets worldwide

58,000 employees

865,000 products sold

Cleveland, Ohio, USA headquarters

1918 founded

FORTUNE 500 ranked #212

Power and Renewable Product / Technology Solutions

AUTOMATION
Actuators
- Linear Actuators
- Rotary Actuators
- Electrohydraulic Actuators (EHA)
- Electrohydraulic Servo Actuators
- Valve Actuators
- EHA Linear Positioner

Air Preparation (FRLs)
- Filters
- Regulators
- Filter/Regulator
- Lubricators
- Combination Units

Airline Accessories
- Automatic Drip Leg Drains
- Automatic Drain Valves
- Breather Vents
- Gauges
- Silencers
- Pressure Switches
- Soft Start / Quick Dump Valves
- Shut-off Valves
- Timer Drain Solenoid Valves
- Zero Loss Condensate Drains

Electric Cylinders

Electronic Pressure Sensors
- Solid State LED Sensors
- Stainless Steel High Pressure Sensors

HMI & Visualization
- Supervisory HMI Software
- Graphic Terminals & Computer Powerstations
- Industrial Flat Panel Monitors
- Integrated Factory Display Systems

Industrial Low Voltage Drives
- AC Variable Frequency Drives (VFDs)
- DC Drives
- Stack Controllers (Digital & Single Phase)

Pneumatic Air Valves
- Relief Valves
- Shuttle Valves
- Quick Exhaust Valves
- Isolator / Main Shut-off (Power) Valves
- High Flow Poppet-Style Valves
- Lockout & Shut-off Valves
- Mechanical / Manual Valves

Pneumatic Cylinders
- ISO 15552 Aluminum Air Cylinders
- ISO1552 Stainless Steel Air Cylinders
- Compact ISO 21287 Cylinders
- NFPA Interchangeable Cylinders
- Stainless Steel Round Body Cylinders
- Rodless Cylinders
- Steel & Stainless Steel Tie-Rod Cylinders

Solenoid Valves (2, 3 & 5-Port)
- Direct Acting Solenoid Valves
- Pilot Operated Solenoid Valves
- Remote Operated Solenoid Valves
- Namur Mount Solenoid Valves
- Low Power Solenoid Valves
- High Flow Solenoid Valves
- Proportional Control (Angle Body Piston & MCV) Valves
- ATEX Solenoid Valves
- SIL 3 Qualified Solenoid Valves
- Stainless Steel Solenoid Valves

Specialty & Manifold Valves
- Fuel Selector Valve Manifold
- CNG Gas Valve
- 2-Port Direct Acting Hydraulic Oil Solenoid Valve

Filtration

Cartridges
- Pleated Paper Cartridges
- Absolute Rated Pleated Media Filters
- High Flow Absolute Rated Pleated Filter Cartridges
- Large Diameter High Flow Pleated Filter Cartridges
- Pleated Synthetic Cartridges
- String Wound Depth Filter Cartridges
- Absolute Rated Thermally Bonded Depth Filter Cartridges
- Melt-Blown Filter Cartridges
- Melt-Blown Polypropylene High Capacity Filter Cartridges
- Resin Bonded Filter Cartridges
- Adsorbent Cartridges (Fullers Earth or Activated Alumina)
- Membrane Filter Cartridges (PTFE)
- Stainless Steel Metal Filters
- Reverse Osmosis (RO) Membranes

Compressed Air & Gas Treatment
- Point-of-Use Compressed Air Dryers
- Refrigeration Dryers
- Heatless Regenerative Desiccant Dryers
- Heated Regenerative Desiccant Dryers
- Blower Purge Desiccant Dryers
- Tandem / Combination Compressed Air Dryers
- Heat of Compression (HOC) Dryers
- Compressed Air & Gas Filters
- Stainless Steel High Pressure Compressed Air & Gas Filters
- Oil Vapor Removal (Activated Carbon) Filters
- Centrifugal Separator / Coalescer
- Silencers
- Air-Cooled & Water-Cooled After Coolers
- Vacuum Filters
- Instrumentation Filters

Condensate Management
- Mist Eliminators
- Oil / Water Separators
- Water Separators
- Condensate Drains
- Automatic Drain Valves
- Automatic Drain Traps

Diesel & Liquid Fuel Filters
- Liquid Fuel Coalescers
- Liquid Fuel Separators
- Industrial Coalescer Filters (Crushable & Incinerable)
- Teflon-Coated or Silicon Treated Screen Water Separators
- Micronic Hydrocarbon Filter Cartridges (Coreless & Incinerable)
- 1 Micron Hydrocarbon Water Absorbing Filters
- Duplex Fuel Filters

Filter Elements
- Static Control Filter Elements (Electrostatic Discharge)
- Water Removal Filter Elements
- Pleated Filter-Separator Elements
- Fuel Filter / Water Separator Elements
- Filter / Coalescer Elements
- Natural Gas Coalescing Filter Elements

Filter Housings & Vessels
- Single & Double Element Housings (Oil)
- ASME 6 & 12 Element Housings (Oil)
- ASME Filter / Water Separator Vessels
- ASME Vertical Micronic Filter Housings
- Vertical Coalescer / Separator Vessels
- ASME Vertical Diesel Fuel Filtration Housings
- Liquid Fuel ASME Pressure Vessels
- Lube Oil ASME Pressure Vessels
- Vertical Gas Coalescer Vessels
- Stainless Steel Pressure Vessels
- PED Compliant Vessels
- PED Compliant ATEX Approved Natural Gas Vessels
- Single-Cartridge Filter Vessels
- Multi-Cartridge Filter Vessels
- Multi-Cartridge High-Flow Capacity Filter Vessels
- Multi-Cartridge Horizontal Large Diameter Filter Vessels

Fluid Conditioning Equipment
- Varnish Removal Systems
- Vacuum Dehydration Purification Systems (Water & Solid Removal)
- Portable Purification System with Electronic Sensing
- Turbine Oil Conditioning Skid Systems
- Bulk Diesel Fuel Forwarding Skid Systems
- Portable Hydraulic Filter Carts
- Oil Conditioning Units (OCU)
- Portable Combination Oil Filtration Systems (Centrifuge Plus Bypass Oil Cleaners)

Gas Turbine Air Intake Filtration
- Panel Filters
- Conical & Cylindrical (Pulse Air) Filters
- Tenkay (Vertical Hung) Self-Cleaning Air Filters

Power and Renewable Product / Technology Solutions

FLUID CONNECTORS, HOSE, AND PIPING

Chemical / Liquid Fittings & Valves
- Thermoplastic (Polyethylene & Nylon)
- Fluoropolymer (PTFE, PFA & FEP)

Hose Fittings (Brass, Carbon Steel & Stainless Steel)
- Barbed (Reusable)
- Push-to-Connect (PTC)
- Permanent / Crimp Style
- Metric, JIS, BSPP / BSPT

Hydraulic Hose
- Low Pressure (Braided & Spiral) Hose
- Medium Pressure (Braided & Spiral) Hose
- High Pressure (Braided & Spiral) Hose
- Constant Working Pressure Hose
- EPDM Hose (Phosphate Hose)
- Suction & Return Hose
- Silicone High Temperature Hose (Water Glycol Cooling)

Industrial Hose
- Air & Multi-Purpose Hose
- Stainless Steel Flexible Metal Hose
- Chemical Hose
- Material Handling / Dry Bulk Transfer Hose
- Fly Ash, Coal Powder, Lime & Slurry Hose (Ceramic Tile Lined)
- Diesel & Biodiesel Hose
- Fluoropolymer (PTFE) Hose
- Suction & Discharge Water Hose
- Thermoplastic Hose
- Welding Hose
- Ultra High Pressure Hose

Industrial Valves
- Air Bleed Valves
- Ball Valves
- Soft Seat Inline Check Valves

Piping Systems
- Pressure / Vacuum Relief Valves
- Thermal Bypass Valves

Pre-Insulated, Heat Traced Tube Bundles
- Self-Regulating Electric Heat Trace Bundles (Freeze Protection)
- Constant Watt Electric Heat Trace Bundles
- Mineral Insulated Cable Heat Trace Bundles
- Steam Purge / Blowdown Bundles
- Steam Heat Trace Tube Bundles

Quick Disconnect Couplings (Brass, Steel & Stainless Steel)
- Drybreak (Non-Spill, Flat Face) Style Couplings
- Poppet Style Couplings
- Thread-to-Connect Style Couplings
- Thermoplastic Couplings

Specialty Hose
- Anhydrous Ammonia Hose
- CNG Hose
- LP Gas Hose
- Lubrication Line Hose
- Steam Hose

Tube Fittings
- 37 Degree Flare
- 24 Degree Flareless
- O-Ring Face Seal

Tubing
- Fluoropolymer (PTFE, PFA, FEP) Tubing
- Thermoplastic (Polyethylene & Nylon) Tubing

Accessories
- Hose, Pipe & Tube Clamps
- Pipe Fittings
- Port Adaptors
- Flanges & Flange Kits

HYDRAULICS

Accumulator Safety
- Accumulator Safety Blocks
- Hydraulic Pulsation Dampers / Surge Arrestors

Accumulators
- Bladder Accumulators
- Diaphragm Accumulators
- Piston Accumulators
- Stainless Steel Seamless Accumulators
- Composite Accumulators

Electrohydraulic Valves
- Proportional Directional Control Throttle Valves
- Proportional Pressure Control Valves

Gear Pumps & Motors
- Aluminum High Speed / Low Torque Gerotor Pumps
- Aluminum External Gear Pumps
- Cast Iron External Gear Pumps
- Aluminum High Speed / Low Torque Gerotor Motors

Hydraulic Manifold Blocks
- Slip-in (DIN Style) Cartridge Valves
- Replacement Coils & Bodies

Hydraulic Power Units (HPU)
- Fixed Displacement
- Variable Displacement

Hydraulic Pumps & Motors
- Fixed Displacement Pumps
- Variable Displacement Pumps
- Axial Piston Pumps
- ATEX Axial Piston Pumps & Motors
- Radial Piston Pumps
- Screw Pumps (Dry or Submersed)

Hydraulic Specialty Valves
- Port Selector Valves
- Gauge Isolator Valves
- Multi-Station Gauge Isolation Valves
- Pressure Gauge Selector Valves
- Electrohydraulic Pressure Switches
- Pressure Snubber

Hydraulic Valves
- Hydraulic Ball Valves
- Hydraulic Check Valves
- Hydraulic Plug Valves
- Hydraulic Flow Control Valves
- Hydraulic Directional Control Valves
- Hydraulic Pressure Control Valves
- Manifold Mounted Hydraulic Valves (Sandwich / Directional Control)
- Hydraulic Hand Pumps

Industrial Cylinders
- Electrohydraulic Cylinders
- Electromechanical (EM) Cylinders
- Hydraulic Heavy Duty Tie-Rod Cylinders
- Hydraulic Stainless Steel Cylinders
- Composite Cylinders
- Sensor Enabled Hydraulic Cylinders (Absolute Position Sensing)
- Single-Stage, Telescopic & Intensifier Cylinders (Custom)
- Long & Large Bore Cylinders with Advanced Rod Coatings (Custom)
- Mill-Type Hydraulic Cylinders
- Push-Pull Cylinders (Solar)
- Pitch Control Cylinders (Wind Turbine)
- Servomotor (Cylinders)
- Rotor Lock Cylinders (Wind Turbine)
- Hydraulic Snubber Cylinders
- Position Feedback Technologies

Oil Coolers
- Air-Cooled Oil Coolers with AC Motor
- Air-Cooled Oil Cooler with Integrated Circulation Pump
- Brazed Plate Style Water-Cooled Oil Coolers
- Gasketed Water-Cooled Oil Coolers
- Titanium Water-Cooled Oil Coolers (Seawater)
- Shell & Tube Heat Exchangers

Reservoir Isolators

Vane Pump & Motors
- Fixed Displacement Heavy Duty Fan Motors
- Variable Displacement Vane Pumps
- Single, Double & Triple Fixed Displacement Vane Pumps

INSTRUMENTATION

Flow Control Valves
- Mass Flow Control Valves
- IPA Flow Valves
- Metering Valves

Flow Controllers
- Mass Flow Controllers
- IPA Flow Controllers

Flow Meters
- Mass Flow Meters
- PTFE Flow Meters
- Variable Area Flow Meters
- PFA Lined Variable Area Flow Meters
- Vortex Shedding Flow Meters (Water & Glycol)

Instrument Enclosures
- Fully Assembled Instrument Enclosures
- Instrument Protective Shades

Instrumentation Cylinder Connections
- CGA Connections
- DISS Connections

Instrumentation Regulators
- Back-Pressure Regulators
- Dual Stage Regulators
- Single Stage Regulators
- High Flow Regulators
- High Pressure Regulators
- Negative Pressure Regulators
- Pressure Reducing Regulators
- PTFE Pressure Regulators

Instrumentation Specialty Products
- Condensate Pots
- Diaphragm Seals
- Gauge Snubbers
- Gauge Siphons
- Pressure Gauges

High Purity Valves & Fittings
- PFA Fluoropolymer Valves
- PFA Fluoropolymer Tube Fittings
- Ultra High Purity (UHP) Check Valves
- Ultra High Purity (UHP) Fittings

Instrumentation Systems
- Continuous Gas Delivery Changeover System (COSE)
- Stream Switching System

Instrumentation Tube & Pipe Fittings
- Single Ferrule Compression Fittings
- Double Ferrule Compression Fittings
- Medium Pressure Tube Fittings
- Tube Socket Weld Fittings
- Permanent “Non-Welded” Tube Fittings & Connection System
- 10K Pipe Fittings

Instrumentation Tubing
- 316 / 316L & 6Mo Stainless Steel Seamless Tubing
- Tube Clamp System

Instrumentation Valves (ASME B31.1 & B31.3)
- Ball Valves
- Bellows Valves
- Blowdown, Root & Angle Valves
- Check Valves
- Liquid Fuel, Air or Water Check Valves
- Diaphragm Valves
- Hand Valves
- Plug Valves
- Purge Valves
- Metering Valves
- Needle Valves
- Relief Valves
- Multiport Gauge Valves
- Block & Bleed Gauge Valves

Manifold Valves & Systems (ASME B31.1 & B31.3)
- 2-Valve, 3-Valve, 4-Valve & 5-Valve Manifolds
- 2-Valve & 4-Valve Purge Manifolds
- Integral Bleed Valves
- Block & Bleed Valves
- Severe Service Block & Bleed Valves
- Severe Service 5-Valve Manifolds
- Double Block & Bleed Manifolds
- Gas Chromatograph Manifold
- Close Coupled & Remote Mount Manifold System

Thermowells, Probes & Sensors
- Thermowells
- Thermocouple Assemblies
- Sample Probes
- ATEX Thermometers

Tube & Pipe Adaptors
- ANSI Flanges
- ANSI Flange Adaptors
- NPT Pipe Threaded Fittings
- Pipe Adaptors
- Purge Adaptors
- ISO Conversion Fittings (Pipe)
- Instrumentation Filters

- Two-Stage Torque Motor Servovalves (Manifold Mounted)
- Two-Stage Flapper Nozzle Servovalves (ATEX)
- Two-Stage, 4-way Flapper Nozzle Servovalves

Lube & Oil Scavenge Gerotor Pumps

Metal Seals
- Metal E-Seal
- Metal C-Ring Seal
- Metal Spring Energized C-Ring Seal
- Metal O-Ring Seal
- Turbine Casing Seal
- Vane Seals (Cloth Seal Alternative)

Turbine Inlet Air Cooling (TIAC) Nozzles
- Single-Point Nozzles
- Spider Nozzles

Fuel Nozzles
- Aero Derivative Nozzles
- Large Frame Nozzles
- Lances & Burners

Fluid Power Seals
- Rod & Piston Seals
- U-Rings

Gaskets
- Carrier Gaskets (Composite)
- Metal Corrugated & Jacketed Gaskets
- Torque (Compression) Limited Gaskets
- Hollow Spliced O-Ring Gaskets
- Spliced Hollow Picture Frame Gaskets
- Molded Conductive Elastomer EMI Gaskets (EPDM)

Non-Metallic Expansion Joints
- Fabric Expansion Joints (EPDM, CR & PTFE)

- PTFE Rotary Lip Seals
- PTFE Spring Energized Lip Seals
- PTFE Ring Sets
- Molded PTFE Seals
- PTFE Bearings
- PTFE Bellows
- PTFE Slipper Seals
- PTFE Wedge Seals
- PTFE Valve Stem Seals

Rotary & Shaft Seals
- Labyrinth Seals (Bearing Isolator Seals)
- Cassette Seals

Fluid Conveyance Hose
- Flexible Metal Hose Assemblies
- Stainless Steel PTFE Hose with Integral Fire Sleeve

Fuel Control Valves
- Water Injection Flow Proportioning Check Valves
- Fuel Distribution Valves
- Fuel Oil Splitter Valves
- Isolation Valves
- Air Purge Valves
- Liquid Fuel Flow Diverter Valves
