

Energy Storage Solutions

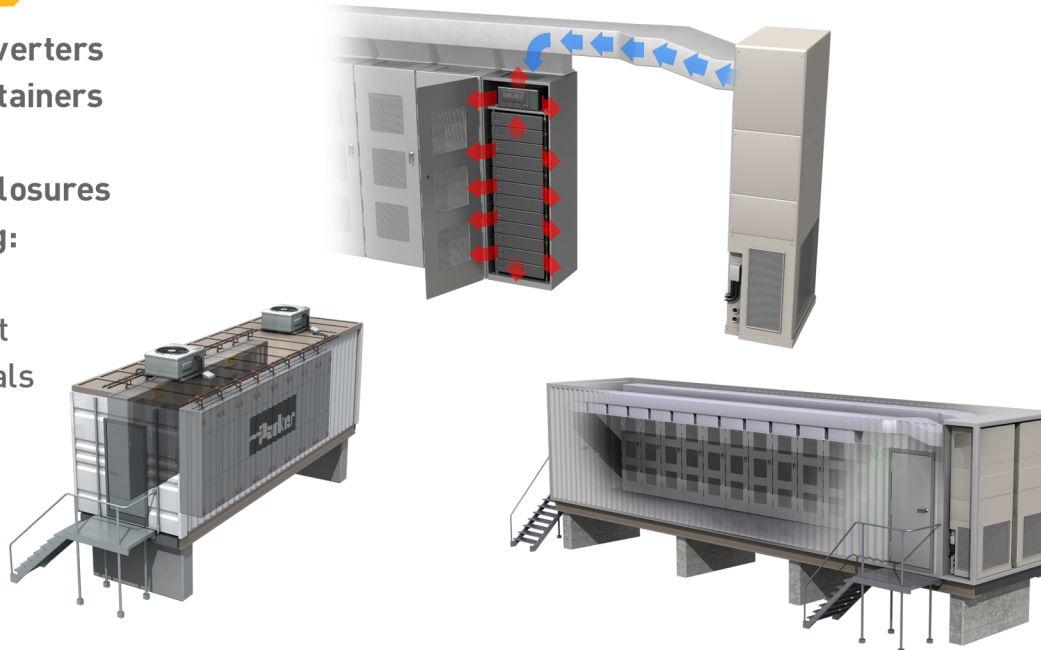

APPLICATIONS:

- ▶ Frequency regulation
- ▶ Integration of renewables
- ▶ Micro-grid solutions
- ▶ Power factor control
- ▶ Grid-tie battery storage

Power Conversion Solutions

- ▶ Bi-directional grid-tie Inverters
- ▶ 10 & 20 ft integrated containers
- ▶ Up to 4MW capacity
- ▶ Custom size outdoor enclosures
- ▶ Fully integrated including:
 - Battery racks
 - Thermal management
 - Safety agency approvals

Battery Containers

- ▶ 20 & 40 ft Standard Containers
- ▶ Up to 1MWh per container
- ▶ Configurable racks for batteries
- ▶ Fully Integrated
 - Racks ready for batteries
 - Thermal management
 - DC buss bar distribution
 - Low voltage wiring
 - Fire suppression
